**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING PETITION TO INTERVENE OF WMA**

On November 13, 2003, the Western Manufactured Housing Community Association (WMA) petitioned to intervene. The WMA says it represents the owners of over 1,500 manufactured housing communities, which contain 160,000 homes, distributed throughout California. WMA states that it intends to address the discount for master meter customers who submeter gas service, as provided by Public Utilities Code Section 739.5. WMA contends that the results of the Commission proceeding into the submetering discount¹ may or may not be available in time for this proceeding, and WMA proposes to address it here. WMA asserts that its intervention will not unduly broaden the issues already the subject of hearings.

¹ Order Instituting Investigation 03-03-017 and Order Instituting Ruling 03-03-018.

No responses have been filed. The petition is unopposed.

IT IS RULED that the November 13, 2003 petition to intervene filed by the Western Manufactured Housing Community Association is granted. Process Office will modify the service list to reflect the interested party appearance as follows:
